

Pyramid Technology Government Sales

Since 1988, Pyramid Technology Services (PTSI) has been developing relationships and providing top quality computer hardware to some of the world's most recognizable companies. We have become your single source provider for new, used and refurbished servers, storage hardware, workstations, peripherals and networking equipment to government agencies across the U.S. We also provide integration, repair, maintenance and consulting services.

Pyramid Technology strives on excellent customer service. We have received a rating of 5 for all of our government sales, and go great lengths to establish a long-term customer relationship. Our goal is to gain your trust and commitment by helping you get the best possible return on your IT dollar. We are dedicated to making networking easy and affordable and welcome you to contact us for questions, quotes, or customer support regarding any of your purchases.
